NEXT ON YOUR MUST-BUY LIST:

Cute **Miu Miu** spring dresses and shoes in colors like bright pink or orange. I'm also obsessed with **Manolos** right now because of the fit.

FAVORITE EBAY FIND EVER:

A **baby pink wallet** by Chanel.

YOU COLLECT...

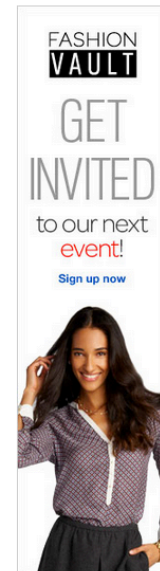

Nothing, sadly. I sell or donate any items I'm not using or wearing.

WHAT'S AT THE TOP OF YOUR WISH LIST?

The Cartier Love bracelet in rose gold. So beautiful, and a total wish list item.

WHAT'S THE EBAY ITEM THAT GOT AWAY?

A white Chanel bag that I saw years ago and never saw again.

GUILTY PLEASURE:

Reading celebrity gossip and spending time with my boyfriend, family, and friends.

DREAM GETAWAY:

Paris, but there's a catch: I'm a die-hard romantic, so I'll only visit with someone I love.

FAVORITE GIFT YOU EVER GAVE:

It's a tie between the time I gave a Tom Ford suit to my boyfriend and a trip to Mexico to my mother.

WHAT YOU WISH WOULD SHOW UP ON EBAY:

A wax-coated Belstaff motorcycle jacket that I recently saw in a store. I loved it!

SONG MOST PLAYED ON YOUR IPOD:

"Where Have You Been" by Rihanna.

FAVORITE CITY TO SHOP IN:

Besides New York, definitely LA!

WHOSE CLOSET WOULD YOU RAID?

Vogue Magazine.
Imagine the clothes,
shoes, and beauty
items!
